

## Weekly Tasks:

- Practice the spellings given for the week (see list provided).
- Practice your times tables. The focus times tables for this half term will be: 3s, 6s and 7s
- Read to an adult as many times as possible. Record this in your reading record. We will check these weekly.

## Notes:

Choose a homework task from the grid. We would like to see a **minimum** of one task per half term.

Remember – every time you complete homework, you will receive Dojos!

All homework can be handed in electronically via Dojo or by bringing in your homework book before Thursday.

A short spelling quiz will take place at the beginning of English at least three times each week.

You are welcome to use the internet to research your homework. For safeguarding reasons, **you must ask permission from a parent or carer before using the internet.**

## COMPUTING

This half term, we will be learning about audio production in our computing lessons. Check out this tutorial on how to make your own music using only an iPad and an app called Garage Band.

<https://www.youtube.com/watch?v=Gw5IGu3uHLy>

## SCIENCE

This half term in science, we will be learning about rocks and soil. Why not visit Hunstanton for a nice walk on the beach and look at the different rock formations?

Alternatively, you could create your own art work using rocks in the style of Andy Goldsworthy.

Check out these links for some inspiration.

## RE

### The Four Noble Truths

In RE this half term, we will be learning about Buddhism. Check out this video to learn more about life as a Buddhist and create your own poster or PowerPoint presentation to show everything you have learned.

Top tip – We will particularly be thinking about

the four noble truths.

## MATHS

Check out our new PiXL Mental Maths and vocabulary apps!

Use the log in information your teacher has given you. When you log in, your teacher can also see your effort and progress. Keep working hard at home to learn your times tables and improve your vocabulary.

<https://vocab.pixl.org.uk>

## ENGLISH

In our English lessons this half term, we will be thinking about portal stories. We also know that we have some fantastic writers in this class and we would love to read your amazing writing about whatever you like! It could be a story, a fact file, a newspaper article, a letter to

somebody famous or even a biography of somebody famous who you admire. Let your imagination run wild! If you want to write, but you need some ideas to get you started, check out this website for lots of (free) interesting videos and photos to get you started. <https://www.literacyshed.com>

## PE

Try out one of these exercises and practice every day for two weeks. Take notes in your homework book to track your improvement as you practice. For example, if you choose to practise the 1 minute squat challenge, you might find that you can do ten in one minute at the beginning, but as you practice and get stronger, you will be able to

do 20 or even more!
