

LKS2 Homework Grid – Spring 1 2023/24

Weekly Tasks:

- Practice the spellings given for the week (see list provided).
- Practice your times tables using the PiXL times tables app.
- Read to an adult as many times as possible. Record this in your reading record. We will check these weekly.

Notes:

Choose a homework task from the grid. We would like to see a **minimum** of one task per half term.

Remember – every time you complete homework, you will receive Dojos!

All homework can be handed in electronically via Dojo or by bringing in your homework book before Thursday.

A short spelling quiz will take place at the beginning of English at least three times each week.

You are welcome to use the internet to research your homework. For safeguarding reasons, **you must ask permission from a parent or carer before using the internet.**

GEOGRAPHY/DT

This half term in Geography, we will be learning about South America. Why not get creative and cook some of these famous South American dishes? Don't forget to send us pictures of you cooking. You could also write the recipe in your homework book and write some sentences to tell us how tasty the food was when you ate it.

SCIENCE

This half term in science, we will be learning about electricity. We will need to think about our safety during every single science lesson. Watch this video to find out how to stay safe when using electricity. Create a safety poster to teach all your friends in class how to stay safe during our science lessons.

Electrical Safety Tips For Kids
