

### Maths

This half term KS1's main learning will be time. They will be taught how to read a clock in intervals of hours, half an hour and quarters. Year 2 will be consolidating this knowledge from previous teaching.

### English

In English this half term we are focusing on powerful verbs. The children will be reading the story 'The Cat, The Heron and the Bramble'

### PSHE

During this half term we will be focusing on 'Relationships' and how important they are to our lives and emotional developments. They will look at different relationships in their life and evaluate how they are all different.

### Science

This half term the children will be learning about materials. They will gain an understanding of how things are made and why materials are chosen.

### Geography

In Geography KS1 the children will be looking at the continent of Asia and comparing life in the United Kingdom to life in Kenya.

### Art

KS1 will be looking at sculptures this half term. They will be using clay to create their own.

### Music

This half term we are combining music and computing and this is because the children will be creating their own music using chrome music lab.

### P.E

During P.E we are looking at ball and net games. They will be developing skills such as: throwing, catching and tracking a ball. They will learn how to score points and how to play with rules.

### R.E

We are looking at philosophy and how different religions celebrate and items that are special to them.
