

## Literacy

**Ice Matters** – non-fiction text. This unit links to previous learning on climate change, the environment, different climatic zones, and associated wildlife.

## French

**Encore** – ways to describe people and nationalities.

**Quelle heure est-il** – leisure activities and telling the time.

## Art and Design

**New and Digital Media** In this unit we are looking at examples of new and digital media and making some of our own. This includes sound art and the using of negative space.

## P.E.

**Team games** in this term we will be looking at team games – the skills required, and the tactics needed to be successful.

## Numeracy

**Unit 12** – Decimals. Adding, subtracting, multiplying and division of decimal numbers.

**Unit 13** – Geometry. Properties of shapes including angles.

## UKS2 curriculum

### Summer 1 - Blakeney

## Humanities (Topic)

**Could Aladdin Have Met the Vikings?** This unit looks at the Anglo-Saxons and Vikings and the Early Islamic Civilization. This unit involves learning both historical – worldwide chronology - and geographical skills – location of countries.

## R.E.

**How does belief in Christian and Islamic faiths impact on music and art through history?** This links in with our topic this term.

## Science

**Materials – Particles in Physical and Chemical Changes.** This looks at the 3 states of matter and how they can be changed, either physically or chemically.

## Blakeney week!

PE – Tuesday  
Swimming – Wednesday  
Library – Thursday

## Computing

**Communication** in this unit we look at the web, search engines and how search engines rank their searches. We also look at how we communicate and our responsibilities when doing so.

## P.S.H.E.

**Relationships** in this unit we look at mental health; love and loss; power and control; and digital safety which includes how we can tell if news is real or fake.
