UKS2 Curriculum Map – Autumn 2

ENGLISH

This half term in writing, we will focus on narrative texts with a suspense element to them.
Our model text will be 'The Watertower' by Gary Crew.

We will also be working on a non-fiction unit around report writing, where we will be using 'The Frost Unicorn' by Pie Corbett as a model text.

SCIENCE

This half term in science, our focus will be on light and darkness.

We will be designing and carrying out a variety of experiments around shadows and the movement of light in a straight line. We will be looking at how to carry out fair tests and how to record and analyse our results scientifically.

PE

This half term in in our PE lessons, we will be learning about the components of fitness: agility, balance, coordination, speed, strength and stamina. We will be assessing our own fitness at the beginning of the unit, working on the different components over the course of this half term and then reassessing ourselves just before the end of term.

MATHS

The Four Operations:

- Consolidating knowledge of long division and long multiplication.
- Weekly arithmetic retrieval practice.

Fractions, Decimals and Percentages:

- Finding percentages of amounts.
- Finding fractions of amounts.
- Comparing and ordering fractions with unlike denominators.
- Finding equivalent fractions.
- Adding and subtracting fractions with like and unlike denominators.
- Multiplying fractions by fractions and by integers.
- Dividing fractions by fractions and by integers.
- Converting between mixed numbers and improper fractions.

HUMANITIES (History)

This half term, we will be learning about the impact of WW2 on the people of Great Britain. We will focus on significant events such as the Battle of Britain, The Blitz and we will be considering the impact of the war on women and children and "The Windrush Generation."

DT

This half term in our DT lessons we will be building our knowledge of structures as we work on a project based around designing, constructing and evaluating our own playground equipment.

MUSIC

This half term in Music, we will be studying the music of World War Two and thinking about how certain lyrics and melodies can affect the listener.

We will be learning about the concept of the solfa ladder to understand octaves and pitch changes in music. We will also experiment with graphic scores to write down music on a page without using traditional stave notation.

LATIN

In our Latin lessons this year, we will be studying the Minimus Secundus programme.

This half term, we will focus on chapter 8 of this book where we will be learning how to identify and translate verbs in the imperfect tense for the first time. We will also be building our cultural capital by learning about the myth of Oceanus and Tethys and the ancient city of Delphi.

RE

In our RE lessons this half term, we will be thinking about how Buddhists explain world.

We will look into "The Eightfold Path" and "The Four Noble Truths" as well as learning about the Buddhist concept of Nirvana.

PSHE

In our PSHE lessons this half term, we will be using resources from the PSHE Association to learn about our health and wellbeing.

We will learn about how mental and physical health are linked. We will also learn about strategies we can implement to support our mental and physical health, including planning healthy meals, remaining physically active and becoming involved in communities and groups that support our wellbeing.
